

Anatomy

Spring 2009
M-F 12:36-2:06
Science Room

Instructor Information

Instructor's name: Blaine Bacon
Instructor's office hours: M-F 8:00-9:00am or 2:13pm-3:43pm
Instructor's office phone: 428-5591 ext. 17
Instructor's e-mail address: bbacon@sfcss.org

Course Description and Goals

Anatomy is simply defined as the science dealing with the structure of animals. In addition, we will also look at some advanced biology and physiology concepts that coincide with the anatomical topic at hand. Learning will take place through a variety of avenues including: the text, laboratories, videos, and other hands-on learning activities.

Requirements and Policies

Required Texts *Hole's Essentials of Human Anatomy & Physiology: tenth edition*

Text Website: <http://glencoe.mcgraw-hill.com/sites/0015081981/>

University of Minnesota Anatomy: <http://msjensen.cehd.umn.edu/Webanatomy/>

Grading*

* Each student's lowest homework score and quiz score will be dropped each quarter.

Homework: 21.4%

Labs: 21.4%

Test/Quizzes: 42.6%

Quarter Test: 14.6%

Attendance

- See handbook
- Whenever possible, assignments for absences should be acquired AHEAD of time so that the student can submit the work before the absence.

Quizzes

--Announced and unannounced quizzes will be taken throughout the school year. They should be made up ahead of time if at all possible.

--I have the final say!!

Papers

- Unless prior arrangements have been made with the teacher, work that is not completed on time will be penalized as follows:
 - 10% deduction the first day late
 - 25% deduction the second day late
 - 50% deduction the third day late
 - After three days it goes to a ZERO!!!

--Papers will be handed in with the following information contained in the top-right corner of his/her paper:

- a) Full name
- b) Date
- c) Assigned pages and problem #s
- d) Class will be centered on the top of your paper

* 5% deduction if any of the above information is missing

--No Fringes (10% deduction)!!!

--Vocab: Terms will always be collected on the day of the test at the beginning of class. Terms must be numbered & hand-written! For full credit, definitions will be written exactly as they are found in the glossary of your textbook.

--Current Events: Each student is required to complete a current event every month. Students must follow the assigned template.

Tests, Mid-term and Final Exam

- I will grade on a curve using my discretion.
- Students will spread out so they are seated in front of a sink at the lab benches.
- No questions about the test can be asked after the test is distributed.
- Students will not photocopy or write down questions from any of the tests

Academic Honesty

- See handbook

Classroom Expectations

- “Mr. Bacon” or “Coach Bacon”
- Bell rings, find your seat, give me your attention
- Take roll, I will pick somebody to pray, current events

- You will NOT touch the gas or water valves without permission
- Use inside voice
- Cell phones may not be carried on you!!! (if I see them I take them)
- Shirts must be tucked in (detentions will be issued)
- GOLDEN RULE!!

Supplies

- pencil/pen
- highlighter
- 3 ring binder (3 inch recommended)
- loose-leaf paper
- dividers
- calculator
- red pen

Outline of Course

Unit	Chapters
1) Safety	--
2) Intro to Human A&P	1
3) Tissues	5
4) Integumentary System	6
5) Skeletal System	7
6) Muscular System	8
7) Nervous System	9
8) The Senses	10
9) Endocrine System	11
10) Cardiovascular System	12
11) Digestive System	13
12) Respiratory System	14

13) Reproductive System
